Screen Kleen

*Recommended By
Our Techs... Screen
Kleen Really Cleans*

"It's the professional cleaner that stops plastic screens from oxidizing and makes them easier to see."

Anti-Bacterial Screen Kleen is safe for all plastics, touch screen terminals, glass, LCD screens, camera lenses, CDs & DVDs, digital imaging, monitor screens, and scanners. Plus, a micro-fiber cloth that absorbs oils and removes fingerprints is included with each bottle.

Screen Kleen is residue free, biodegradable, organically based, and non-corrosive. With a product that is static free, streak free, build-up free, oil and wax free plus pH neutral, your screen will look cleaner and be more sanitary.

Recommended by CRS to Improve Performance and Extend Life – Other Cleaners Can Damage Screens

Novus Plastic Cleaner

*Plastic Cleaner and Polish
Restores That 'Like New' Look
to Cash Registers, Printers and
PC Cabinets*

Novus #1 is a liquid that cleans and polishes all plastic surfaces in one operation. Reduces static and leaves a brilliant, dust-free shine.

Novus #2 is a little stronger, and contains a gentle rubbing compound that will polish out the very fine scratches and abrasions that often dull plastic surfaces.

Novus #3 removes heavy scratches and abrasions from most acrylic surfaces. Requires both No. 1 and No. 2 polishes for final finishing.

Item No.

- 700902** Novus #1 2 oz
- 700903** Novus #1 64 oz.
- 700908** Novus #3 2 oz.

Antimicrobial Screen Protection for SAM4s and Diamond Series Touchscreens

CRS is now stocking premium screen protection for current and legacy SAM4s SPT Series and Diamond Series Terminals with 15" screens and SPS-2000 ECRs with 12" screens.

Why Screen Protection?

- Anti-Glare surface reflects unwanted light for improved viewing.
- Anti-Fingerprint surface allows for easy cleaning.
- Antimicrobial agent keeps the film surface clean from bacteria growth.
- Scratch Resistance with an improved premium hard coat layer.

Screen Protection from AccurateFilms™ features antimicrobial Kohkin flim™ that meets ISO 22196 standard for antimicrobial effectiveness. The top coating allows for smooth finger movement over the touchscreen and reduced adherence of fingerprints. Unique adsorption technology with no adhesive allows easy installation, removal and reinstallation.

Today, screen protection is very popular among consumers using iPod, iPhones, smartphone and other touch devices. AccurateFilms™ provides more than just scratch protection-benefits that are easy to sell and easy to understand.

- High Quality, Long Life, Multi-Purpose Film
- Made Specifically for POS Touch Screens
- 100 Micron Film Thickness Insures Durability and Real Touch Sensitivity
